

# Car Stereo Harnesses

All harnesses includes power as well as speaker wires and each is labeled with its specific function. Avoids cutting the factory harness so all connections are exactly right. The wiring color codes are EIA standard.

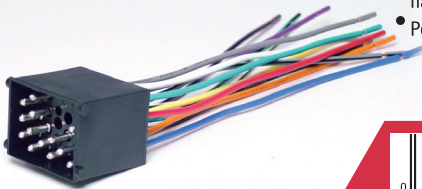

This year, we've introduced 15 NEW pre-terminated harnesses - for ease of installation.

**BMW**

## BW01B

1990-up BMW

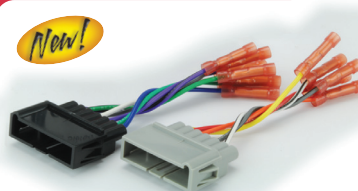

- Plugs directly into vehicle harness.
- Power / 4 Speaker

## CR01BCB

1984-01 Chrysler

- Plugs directly into vehicle harness.
- Power / 4 Speaker
